The skill you use, Blood Cutter, is one of the most basic skills; everyone from the Branch Family touches that skill at least once.
However, they are the ones who only learned the first of the 3 chapters of Blood Snake Arts.

The true strength of this skill only comes when you excecute the 2nd and the 3rd chapters consecutively.

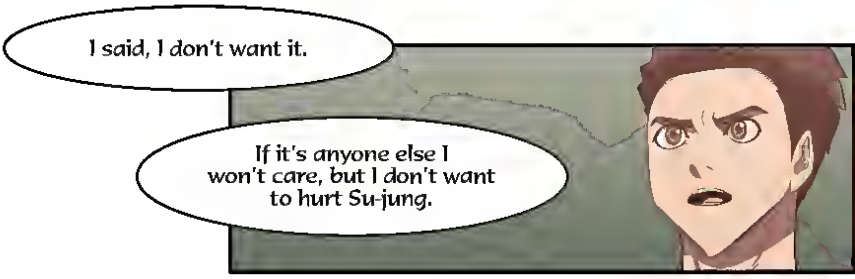
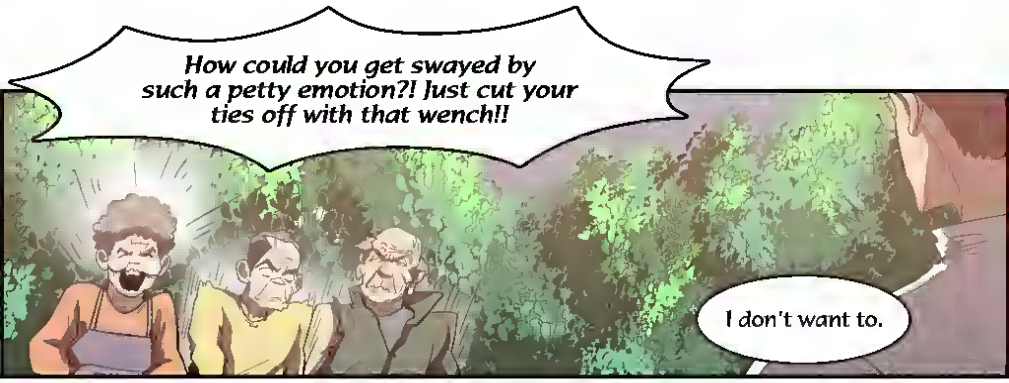
What did you say...?



I said, I don't want it.
If it's anyone else I won't care, but I don't want to hurt Su-jung.



How could you get swayed by such a petty emotion?! Just cut your ties off with that wench!!
I don't want to.

I don't want to harm her, no matter what! However, I still need your Ki.
So if you don't plan on handing it over, I'll take it from you.

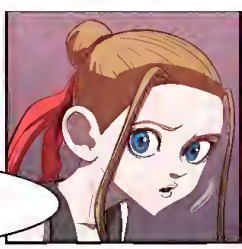
Sister Haeji, will I be able to stop Aran with my strength?



Why are you saying that? Is it for Aran? Or for the Branch?

You refused the three Great Masters' Ki? Just because of that girl?

I would've said, "Yes, I will kill them," and just received it there and then.

No, we can't harm Su-jung!

Who said we'd kill her? We should've just killed those three geezers right after receiving their Ki.

Well..? Don't you think it's a great idea?

The real difference between the Branch and the Main Family depends on whether you have a chivalrous spirit or not.

Sfx: Nod nod

We are fighting those who choose to use their power ignoring all the rules. That is our true enemy.

However, now that the war has started...
